BAND BIO

WONDERAMA Band is a high energy, current, TOP 40 band from South Florida. Originating from West Palm Beach and formed in 2011, they have grown to be one of the most popular bands in the region. They have played everywhere from the Hamptons in NY to the Florida keys, and are a crowd favorite every year in Central Park NY for the Rolex equestrian show. With years of experience playing private and corporate events, weddings, high end night clubs, and festivals, this is a band for any occasion. The number one goal of WONDERAMA is to replicate each song authentically and sound like the artist they are covering. The members of Wonderama have all toured the United States, Caribbean, Europe, Central and South America.
